Certificate of Appreciation

I am very delighted to learn that **Nehru Yuva Kendra**, under the District Youth **Coordinator** Shri **M.Balaji**, has been undertaking various welfare activities in Kanniyakumari District.

It is heartening to note that the welfare activities undertaken by Volunteers of Nehru Yuva Kendra, such as distributing rice packets, grocery items, vegetables, face masks to the needy and affected people during lock down period; also they have been providing Kaba Sura Ayurvedic drink to increase the immunity of the people and creating awareness on hand washing, social distancing, elderly care to save the public from corona virus; also they engaged with wall writing, pamphlets distribution and e-posters to fight against COVID-19 without stigma and discrimination.

It is highly appreciable that even in this hard situation NYK Kanniyakumari has organized blood donation camp at Kollencode in coordination with Youth Club and Government Medical College hospital.

I earnestly express gratitude towards N Y K for their hard work and dedication in preventing and mitigation of COVID-19 and wish all the best for all the welfare activities they handle in the years to come and I do hope that Nehru Yuva Kendra at Kanniyakumari District will continue to strive hard to achieve its motto.

Warm regards,
