## **APRECIATION LETTER**

I appreciate **Nehru Yuva Kendra Daman Volunteers' team** under the leadership of **Shri Anupam K Kaithvas, District Youth Coordinator** for their dedicated and selfless services during the lockdown period due to COVID-19 pandemic.

COVID-19 pandemic had brought the life of common people to a halt abruptly. The role of volunteers became vital for the help of the needy people and for awareness about the pandemic. NYK Daman team under guidance **Smt Manisha Shah, State Director, NYKS Gujarat** has been working with the District Administration and up to Panchayat level to deliver the ration kits, sanitizers, masks and other essential commodities. Also, they have been actively engaged to aware people about mask making, social distancing, given trainings to use and to download the AarogyaSetu application. I acknowledge the volunteering efforts of the team throughout the lockdown period.

I offer my best wishes to NYK officials, National Youth Volunteers, and youth clubs for their bright future. And I hope that the NYK team would continue to perform the noble deeds in the best interests of society and the country.

**(Lalubhai B. Patel)**
