Subject: - Webinar on creating awareness for National Education Policy - 2020.

Sir,

As you are aware, Government of India has introduced National Education Policy-2020 (NEP), making way for large scale, transformational reforms in both school and higher education sectors. The Policy proposes to create a system that is aligned with aspirational goals of 21<sup>st</sup> century education.

2. Government is making all-out effort to disseminate information about various aspects of the NEP to all stakeholders. Ministry of Youth Affairs and Sports has a large network of student volunteers of NSS & NYK in academic institutions across the country. It is desired to create awareness about NEP through the volunteers of NSS & NYK coordinators in colleges/ institutions across the country.

3. Ministry of Education, with the support of Ministry of Defence and Ministry of Youth Affairs and Sports, is organising a webinar on 16<sup>th</sup> September, 2020 from 1.00 to 3.00 PM to disseminate information about the NEP. The webinar will be live webcast on <https://webcast.gov.in/mhrd/shikshakparv/>. Apart from this, the webinar can also be accessed on Facebook, YouTube, Twitter.

4. It is requested that the coordinators of NSS & NYK may be directed to attend the webinar and organise subsequent webinars to create awareness about the NEP in colleges/ institutions. The videos, presentations, press clippings of the Webinar may be uploaded on NSS's/NYK's website. The Report on the Webinar may be sent by 25<sup>th</sup> September, 2020.
