''Kashmiriyat, Jamhooriyat aur Insaniyat' (social consciousness and cultural values of the Kashmiri people, democracy, and humanity), he said, "I will like to follow these three mantras which are the pillars of development of Kashmir. Sufi tradition has emerged from this land and this tradition has taught us oneness and strength of unity''.

Shri Narendra Modi, Hon'ble Prime Minister of India

Introduction

Youth are vibrant and major human resources for strengthening democracy and development, and thus key agents for social and economic transformation of a country. There is a need for larger youth involvement and their participation in the socio-economic, political and cultural development.

The role and responsibility of the youth in Kashmir Valley is tremendous. They are the pride of the nation and considered as the real assets. They have innovative ideas and opinions, have the capacities and capabilities to bring positive changes in the functioning of the State. Therefore, in the present scenario, what they need is right direction that help them to recognize their strength and facilitate them to understand the vision they hold for the State of Jammu and Kashmir and for the country.

The fragile socio-political landscape, affected by continuing violent conflict and instability, has created a deep sense of uncertainty amongst the local population, particularly the youth. Kashmiri youth have grown up in this adverse environment and have faced tremendous stress. MY Bharat programme thus aims to fight the feeling of desperation, anger and helplessness which are largely prevalent among them.

Kashmir Valley is facing various problems due to sponsored terrorism and the youth get swayed due to variety of reasons. Youth are getting involved in radical activities primarily due to lack of access to various opportunities for their overall development.

What has now become increasingly important is to provide safe spaces to youth, mobilize, organize and channelize their energies to bring them into mainstream of development and make them partners in Nation Building activities.

Government is taking several important measures for the development process and peace initiatives in Kashmir Region.

After successful organisation of Kashmiri Youth Exchange Programme in the previous years, MY Bharat is proposing for the 7th Kashmiri Youth Exchange Programme during the year 2026-27 to provide opportunity to **1,800 Kashmiri Youth along with 180 Team Leaders** for their visit in **15** important cities of the country viz. **Visakhapatnam (Andhra Pradesh), Bilaspur (Chhattisgarh), New Delhi (Delhi), South Delhi (Delhi)Vadodara (Gujarat), Ernakulam (Kerala), Aurangabad (Maharashtra), Bhubaneshwar (Odisha), Ludhiana (Punjab), Ajmer (Rajasthan), Tiruchirappalli (Tamilnadu), Agra (Uttar Pradesh), Lucknow (Uttar Pradesh) , Dehradun (Uttrakhand) and Kolkata North (West Bengal).**

The program is visualized with an understanding that rural youth are highly receptive and impressionable and this is the time when love, care and self-experience together can create a good impact on their personality. Acculturation and socialization, the two main sociological and psychological processes through which youth learns and gains experiences are extremely important. Youth not only interact amongst themselves but also with other fellow citizens and develop a sense of belonging ness to the country. This proposal makes an effort to provide such opportunity to the youth of militancy affected districts of Kashmir Valley.
